Age 8

Pennsylvania

A baby was born on Christmas Day and His name is Jesus. No one would let Mary and Joseph stay in their house, but one person let them stay in their barn. And there, He was born. A star shined so bright. Shepherds saw the star and they followed the star and the star led them right to Jesus. Three wise men saw the star also and they followed the star. Two years passed before they got there and the three wise men brought myrrh, frankincense and gold. Some people were happy. Some people were unhappy. The most unhappy person was the king. No one cared if he was unhappy or not. Everyone went about their business. Just a few years later, Jesus died. He got put in a big cave, but the cave did not stop God. He rose from the dead and now He is King of All Kings!
